Dear Vetha,

As discussed, [today](#) i.e. [November 08th, 2019](#) is my last working day here at Reliance Industries Limited. As you already know, I have not received any salary amount for the last month, i.e. [October 2019](#), hence I am compelled to leave early. For your information, even after informing them over email, and discussing in person, there was no outcome. Hence, I have submitted all my assets i.e. Laptop, ID Card and I do not hold any other property with me currently.

Kindly relieve me from my duties and responsibilities for smooth transition.

Thanks,
Avinash | Data Scientist
